

2008 Northern Arizona Sustainable Living Fair

Welcome to the 2008 Northern Arizona Sustainable Living Fair. We hope you enjoy yourself, learn a lot about the various ways you can make your lifestyle choices more sustainable for your community and the Earth.

We value your feedback, so please let anyone wearing a yellow "STAFF" t-shirt know what you think about the Fair and offer your suggestions to improve next year's event. Also please feel free to let us know how we can make your visit today more enjoyable.

We'd like to thank our generous and important sponsors, exhibitors and speakers. Without all of their efforts and participation we would not be able to make this Fair happen.

Sincerely,

The Northern AZ Sustainable Living Fair Team
